

International Burch University Accredited by HEA

Aug 22, 2014

HEA stands for the Agency for Development of Higher Education and Quality Assurance in Bosnia and Herzegovina.

The International Burch University (IBU), received its first accreditation in Bosnia and Herzegovina from the Ministry of Education and Science of the Sarajevo Canton, and enrolled its first generation of students in September 2008.

Also in the year of 2008 an independent body the Agency for the Development of Higher Education and Quality Assurance (HEA) was established in Bosnia and Herzegovina. The aim was to provide assessment and quality review, and give recommendation on accreditation of higher education institutions. In other words, the Agency provides external quality assurance and accredits universities in Bosnia and Herzegovina.

After applying for the accreditation process and detailed examination period, we proudly announce that international committee of the Agency has accredited the International Burch University, and recorded it with the state register of accredited higher education institutions.
