

BURCH Students BBQ

May 11, 2018

On Thursday, May 10, the Student Parliament of International Burch University organized a surprise barbeque for all students and staff of the University, as well as other guests that were present that day, to mark its first year of successful work.

The barbeque (BBQ), which was named “Students Barbeque”, gathered several hundred students, staff and guests who enjoyed the food prepared by our local barbeque masters, Amer Kurtovic and Azrudin Koldžo, and served by our colleagues, Mersiha Jaskic and Emina Muzaferija.

Besides the BBQ cevapi and sausages, those present had the opportunity to drink a sample of a unique Bosnia and Herzegovina’s most famous coffee – Vispak’s Zlatna džezva – from the largest coffee pot in the world. In addition, lemonade and refreshing Nova Vita drinks were available to the guests.

Additional fun was provided by the DJ team, composed of Isa Dukmenic and Armin Hodžic, who ensured that everyone’s favorite music was on at a time.

The event was supported financially and materially by International Burch University, Akova Impex, and Vispak. The Student Parliament thanks to all for their generous contributions.
